

Thanksgiving Day

(sung to "Row, Row, Row Your Boat")

Show, show, show your thanks,
In a special way,
Celebrate, celebrate, celebrate, celebrate
On Thanksgiving Day!

Show, show, show your thanks,
Let your thanks include
Family, family, family, family
For your clothes and food!

Show, show, show your thanks,
Thanks to all your friends.
On friendship, friendship, friendship, friendship,
Everyone depends!

Show, show, show your thanks
As in Pilgrim days.
On Thanksgiving show your thanks
In many, many ways!

Hank and Frank

Hank and Frank have a wind-up toy store
But at night it becomes a whole lot more!
All the toys, high up on the shelves
Wind up and move all by themselves!
With a crank, crank, crank, and a crank, crank, crank
The fish blows bubbles inside her tank!
The horse gives his hay a yank
The tap dancers tap with a clickety clank!
The boy puts a coin in his piggy bank
The next morning it's so quiet in the store
You'd never know what happened the night before!
