

TIME FOR HIBERNATION

(sung to "Frere Jacques")

Are you sleeping, are you sleeping,
Big brown bear, big brown bear?
Time for hibernation. What is your location?
In a log, in a lair.

Are you sleeping, are you sleeping,
Little frog, little frog?
Time for hibernation. What is your location?
In a pond, near a log.

Are you sleeping, are you sleeping,
Hanging bat, hanging bat?
Time for hibernation. What is your location?
In a cave is where I'm at.

Are you sleeping, are you sleeping,
Slinky snake, slinky snake?
Time for hibernation. What is your location?
In the mud, in a lake.

Are you sleeping, are you sleeping,
Turtle friend, turtle friend?
Time for hibernation. What is your location?
In the stream, till winter's end!
